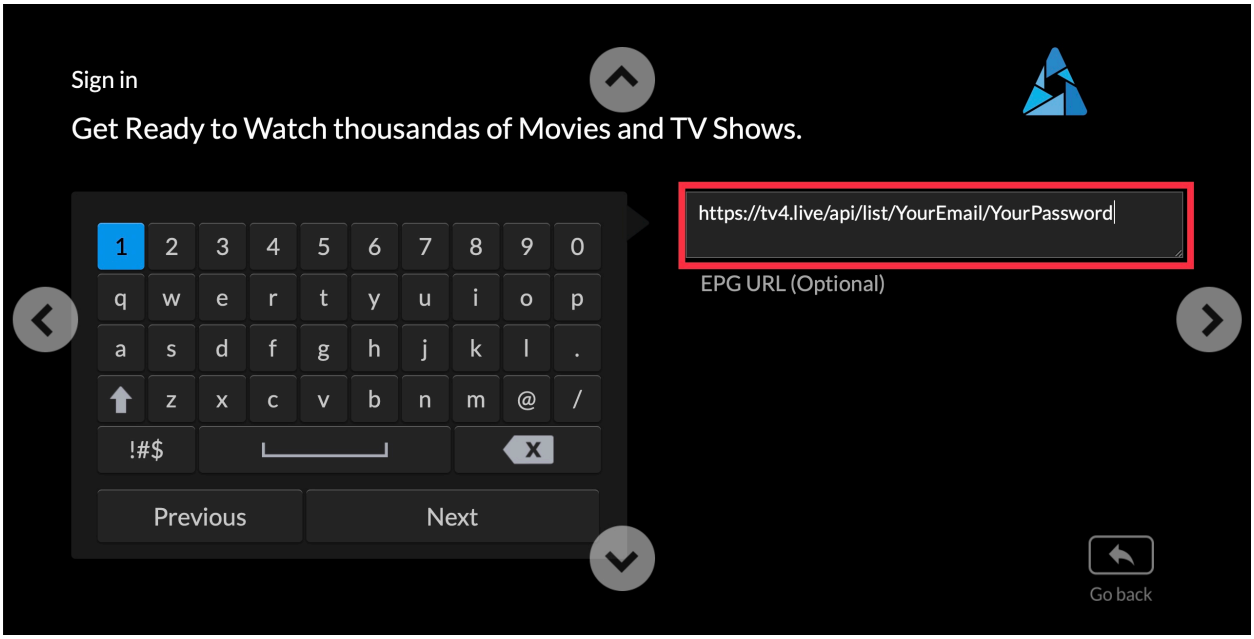
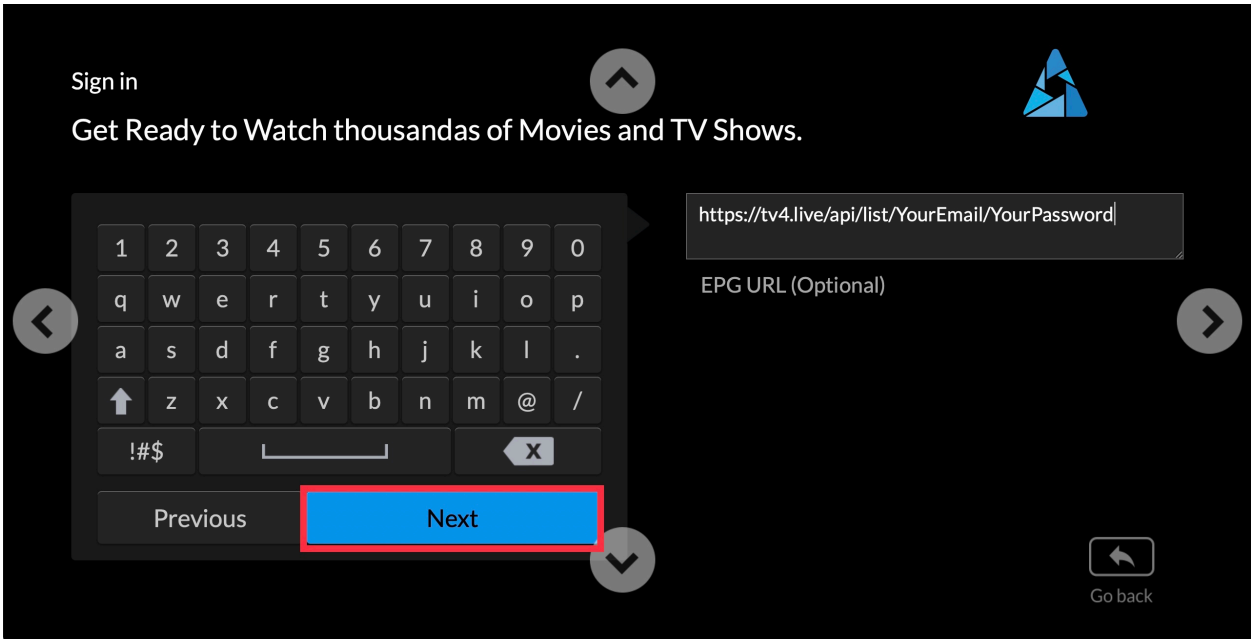
Chromecast Installation Guide

1. Open the web link (https://player.tv4.live) on your mobile device or laptop.

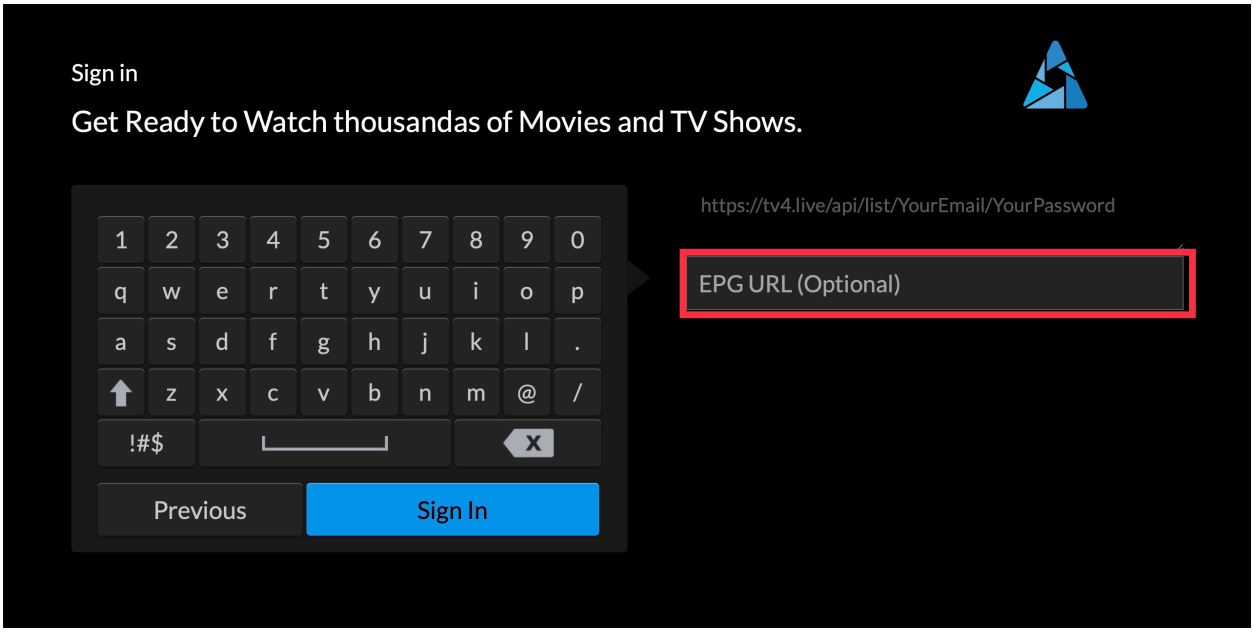
2. In the top box labeled “Enter M3U URL”, Type in the M3U URL that was sent to your Email. The Link is case sensitive.



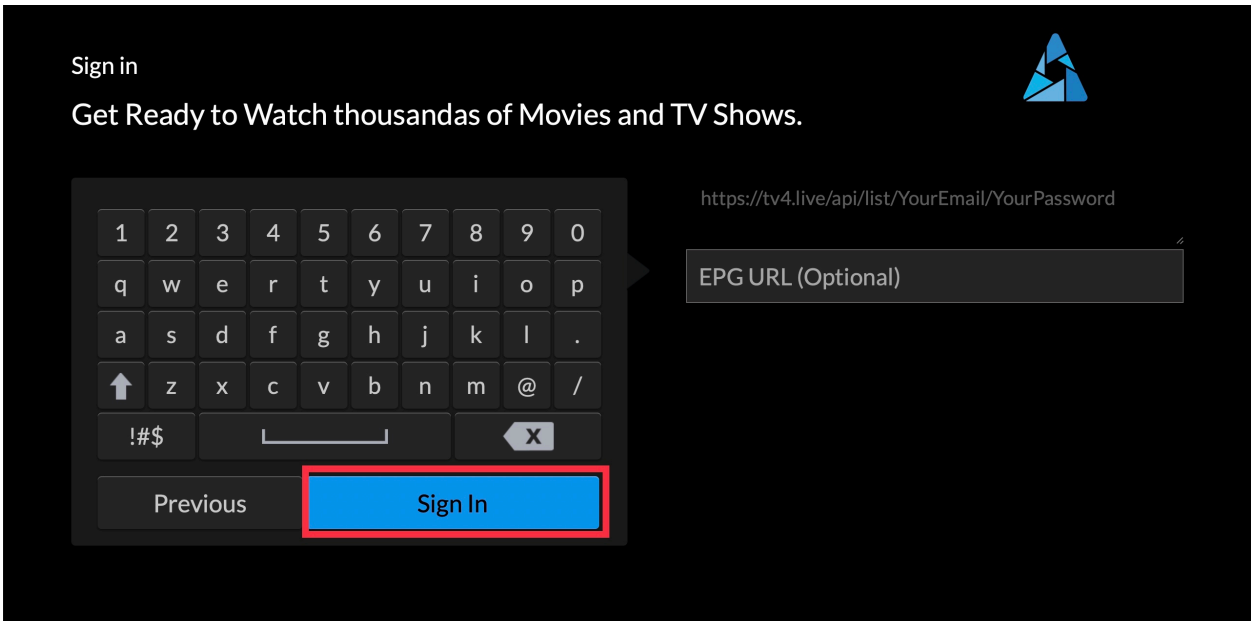
3. Click Next. If you don’t see the next button you will need to reduce the resolution on your screen or zoom out.



4. Leave the bottom box labeled “Enter EPG URL” blank.



5. Click Sign In.



Note: Once you're in if you're using your laptop, you can use your mouse wheel, keyboard arrows and enter button to get around or simply use your mouse.

6. Select the content you want to watch then click the cast button on the bottom right.

Enjoy!
